Blades Groundwater Site Public Meeting to Discuss Proposal to the National Priorities List, Blades, DE – On December 5, 2019, EPA will hold a public meeting at the Blades Fire Hall from 6:30-8:00pm to discuss EPA's proposal of Blades Groundwater to the National Priorities List. A public comment period is open from November 8, 2019 to January 7, 2020. There is ongoing, successful treatment of the Blades public water supply and residential wells to remove metals, PFOA and PFOS from the water supply at the treatment plants. The City of Blades' drinking water continues to meet Federal and State Safe Drinking Water Act standards, as shared annually in its water quality reports. The Delaware Department of Natural Resources (DNREC), the Agency for Toxic Substances and Disease Registry (ATSDR), and the Delaware Department of Health will be in attendance to answer site and health related questions. (Miles, 4-5557; O'Loughlin 4-3304; Taylor 4-3326; Nevshehirlian 4-3402; Markiewicz, ATSDR, 4-3149)
